Refilling

1. Press the button on the bottom of the dispenser and lift the front cover by 90° until the cover snaps in.
2. Put a Satino by WEPA fragrance of your choice onto the stand inside of the dispenser and remove the cap of the fragrance.
3. The filling level indicator shows when the fragrance is empty and needs to be replaced („red flag“).
4. Close the cover again so that the button snaps in.
5. Enjoy the fragrance for about 6-8 weeks.
